

Dayboro Chase

The logo was created along with the Dayboro Chase website. Dayboro chase is a new property development north of Brisbane. Dayboro is within a small mountain range and offers fantastic views. The gum trees that grow on the mountains give off a blue haze which is why I chose blue as the colour scheme. The logo reflects the natural landscape with the silhouetted trees and mountains and the large sun/moon is a metaphor for rising profits from the investment.

NCL Cruise Academy
